NORWICH TOWN

Farrell-Kingsley Wedding at Sacred
Heart Church—Followed by Recep-
tion and Bridal Breakfast at Coloni-
al Home—Residents Sign Petition
to Safeguard Military Camps—Plans
for Children's Day.

The wedding of Miss Julia Ames
Kingsley, daughter of Mrs. Ellen
Mitchell Kingsley and Mr. Farrell
son of Mrs. Louise Farrell of Green-
ville, was solemnized at 3 o'clock on
Wednesday morning at Sacred Heart
church in the presence
many friends. As the bride party entered
the church the wedding march
Lohengrin was played by Miss Eliza-
beth Malone, who played softly during
the ceremony. The wedding march
was the recessional.

The bride's sister, Miss Nettie
Kingsley was maid of honor and the
best man was David Farrell, brother
of the groom. The brides were hand-
embroidered crepe de chene. Her
veil, in cap effect, was caught with
lilies of the valley. She carried bride
roses. The maid of honor wore a
dainty white, embroidered with
daisies and was a daisy hat; she car-
ried yellow roses.

After the church ceremony a bridal
breakfast was served to a party of
thirty-five, including relatives and in-

imate friends, at the home of the
bride on Huntington avenue. Mr. and
Mrs. John McGarrity and children
and John Kingsley, all of Hartford,
were among those present from out of
town.

The wedding gifts included a chest
of silver, a dinner set in choice china,
cut glass, money, household furnish-
ings, pictures and a cedar chest filled
with linens. The bride's trousseau
was from Springfield, Mass. Mr. and
Mrs. Farrell will reside in a newly fur-
nished home at 31 Fourth street, in
Greenville. Mrs. Farrell is one who
has many friends. Mr. Farrell is a
foreman at Hopkins & Allen's.
The Kingsley house on Huntington
avenue is one of the most interesting
places in that locality. It was built
about 100 years ago. The big square
rooms, 16 of them, panelling, corner
posts and beams in the rooms, lathes
on the doors, the old fashioned
kitchen, all make a most fascinating
study. Rev. Comfort Day, Fillmore,
one of the first pastors of the Metho-
dist church there. Afterward Mrs.
and Mrs. Jennings occupied the
house. Mr. Jennings had the gro-
cery store on the hill for many years.
Then the house came into the posses-
sion of Mr. and Mrs. Kingsley.

WHAT TO EAT

Avoid Indigestion, Sour Acid Stomach,
Heartburn, Gas On Stomach, Etc.

Indigestion and practically all forms
of stomach trouble, say medical au-
thorities, are due nine times out of ten
to an excess of hydrochloric acid in the
stomach. Chronic "acid stomach" is
exceedingly dangerous and sufferers
should do either one of two things.
Either they can go on a limited and
often unsatisfactory diet, avoiding all
that disagree with them, that irritate
the stomach and tend to increase the
secretion of the acid, or they can take a
practical and safe remedy that neutralizes
the harmful acid and prevents the forma-
tion of gas, heartburn, sour stomach,
indigestion, etc., by the use of a little Bismuth
Magneesia at their meals.

The Hill for many years has been
used for this purpose. It has no direct
action on the stomach and does not
irritate. But a teaspoonful of the
powder or a couple of five grain tablets
neutralize the acid which is the cause
of the trouble. This removes the whole cause
of the trouble. The acid is neutralized
naturally and healthfully without need
of fasting or any other artificial means.
Get a few ounces of Bismuth Magne-
sia from either powder or tablets. It never
comes as a liquid, milk or citrate, and
is a safe remedy for all cases of indigestion.
Try this plan and eat what you want
at your meals and see what a difference
it makes in your health.
